I came here in monastery to read and to be a good student in my life. In my house their are nine member's - And In my monastery here are nine family all together. I am a new student. When I came here first time. I was so surprise to see the big-big monastery and houses and beautiful places. That time I am so excitin's. I think my self I am so lucky to be here with lovely good teachers and sister's. In my all activities my guruma's and sister's help me. I am little bitte weak in study but I am smart in other's

activities That's why I am work hard in my study. They love me very much because I am very smaller in monastery. So, I am very happy to stay with my beautiful Uruma's & sisters.
